

Fort Worth ASSP Chapter Elections Candidates - 2026

Candidate – Vice President:

Kelly Dennison

Kelly Dennison, CSP

Current Role: Senior Consultant with REM Risk Consultants with over 30 years in Safety field.

ASSP Participation: Member for 25 years, currently serving in the Government Affairs Chair role for the Fort Worth Chapter.

Qualifications: I have been involved in ASSP for 25 years, and in industrial hygiene and safety for over 30 years. I was NTS AIHA President for 3 years. I thought it was only right to get involved in our local Fort Worth Chapter. I have been active with the Fort Worth Chapter for the last 5 years, the last 3 years as the Government Affairs Chair. 14 years of Leadership experience in Industry.

Education and Credentials: B.S., Environmental Science/Industrial Hygiene and Safety, University of Houston – Clear Lake, 1995. Certifications include CSP, OSHA Outreach Trainer

Why me?: A dedicated Safety professional that promotes significant amounts of her time to advance the profession whether it is at work by mentoring younger professionals and the time she dedicates to the Fort Worth Chapter. She is always present at leadership team meetings, social events, and DFW PDCs as a moderator and presenter. She is the personification of what a chapter leader is and would be a huge benefit in that role.
